COMMENTS:

The May 29, 2003, amendments deleted all provisions in the bill including the provisions that would have required tax practitioners that prepare more than 100 individual income tax returns in a calendar year to file all individual returns with the Franchise Tax Board (FTB) in subsequent years using magnetic media or other machine-readable form. The amendments replaced the provisions with legislative intent language regarding the 2003 Budget Act.

Thus, the bill would no longer impact the department's programs and operations or state income tax revenue.
